Thank you for your email John.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten is traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

Honorable Council Members:

I encourage you to actively and aggressively oppose AB1250. Do not let the state impose these kinds of rules that WILL lead to higher costs for our city and for your residents and taxpayers. Over the long run, these kinds of forced cost increases in turn lead to reduced services, as the bill becomes too great to cover.

Instead of focusing on hypothetical (and political) federal issues, please put your time and effort onto this and the many other local issues that directly affect our daily lives.

With sincere respect and gratitude for your service,

John Boyle
